in Boston, prohibiting the use of the Singer Machines, and
now have a suit pending against him here, which is soon to
the tried, and, without doubt, will result in like manner.
The old bugbers of Walter Hunt was as herestofore the defence relied upon, the insufficiency and fallacy of which will
be manifest by an examination of the fuil and clear decision
of Judge Sprague in the case, frinted copies of which will
be ready for free distribution in a few days at my office. By
exclosing a postage stamp a copy will be forwarded to order
by mail. It is immaterial whether machines use one or two
needles, with the eye near the point; without a license they
are alike infringements, and the public will beware of incurring the Hailifities of the law by purchasing infringing maciance, when they can buy as good or hetter ones at the
